

High Quality Links - Policy

This Link Policy is governing our acceptance of potential Linking and applied for both our Advertisers and Not Advertisers in the Online Business of National Global Marketing.

Our sites are primarily dedicated to our Advertisers. Not Advertisers can use our Links on Unilateral or Reciprocal basis. You can add our Links to your site without our permission, providing that you are not violating our hereafter stated Links Policy.

Links Policy:

We have the right to ask you to remove our Links, refuse, cancel and locate your Link as best suits you and us.

We prefer to exchange links with Company based Web Sites in the following areas:

Advertising, Agriculture, Business, Carpets, Consulting, Cosmetic, Engineering, Environment, Finance, Flying, Food, Furniture, Know-How, Learning, Manufacturing, Marketing, Medical Instruments, Meetings, Pharmaceuticals, Telecommunications, Translation, Travel, Non Profit Organizations, Prestige Products, Real Estate, Sports, Toys, Turnkey, Webs and Wind Energy.

- Sites with link directories that cannot be indexed by the search engines are excluded from consideration. (This includes framed and dynamic sites.)

- We do not accept links from: sex related, adult sites, offensive or from any link that violates our values and interest for the Online Business related Advertising.

- We do not link with sites that feature War, Hacking, Cracking, Pornography, Hatred, Racism or any illegal content.

- We do not link with sites that have more than 20 Links per page. Links Farms, Free For All - FFA web sites are excluded from consideration.

- We advertise our LIMITED link section with the word "Links" so ALL surfers know our links are available. We will not exchange links with sites that hide their link section behind the words "Resources", "Partners", "Link To Us" or anything similar. The link to your link section should say "Links" "Web Links" or something equally as clear.

- The link to your site from our link section will open in the main window. This ensures that our visitors will not have your site blocked by a pop up blocker. We will not exchange links with sites that open our link in a new window.

We regularly send our leaving visitors to our link associates on mutual basis.

We will never remove your link as long as our link is active on your site. If we ever move your link we will inform you by email. We check all partners' websites regularly for our link.

All our links are classified as high quality link associates. We do care about our Business and expect the same.
